Dear Sir  
Thanks for the mail and content.

We wish to inform you that our factory was destroyed due to an accident and we have verbally communicated the same with your office through our Consultant. So, we are not manufacturing at present.

Therefore, the certificates of ISO 22000:2018, HACCP and GMP obtained for Rosyth Tea Factory shall be discontinued until we reopen the factory.

Further, please advise whether it is possible to transfer the balance of certification fees which we have already paid for two years for the certification of our other factory.

Your kind consideration in this regard is greatly appreciated

Thank you

Kiyas
